ACADEMIC INFORMATION

High school(s) attended and relevant academic years. N.B. documentary evidence of school grades is required.

If you are already enrolled in an undergraduate course, please provide full details of the course and grades to date.

If you have completed any degree or diploma courses, please provide details of the course taken, the institution at which you studied and the grades that you achieved.

If you are seeking a scholarship for a new degree or diploma course please provide details of the institutions to which you have applied and the current status of your application.

Campbells

Please explain why you wish to enrol in the proposed course or if you are already enrolled in the course, why you chose it. Please also explain how the course is relevant to your career aspirations and how you feel that it will benefit you in the future.

Have you been awarded any other scholarships for this course or any other financial assistance?
If yes, please provide full details of the awarding body/firm and the amount awarded.

YES

NO

If you have obtained any work experience or have had a period of employment between completing your secondary education and the course that you wish to enrol in or are enrolled in, please provide full details.

Campbells

Please explain why you feel the scholarship is necessary for you, including an explanation of what the money will be used for and why you believe that you are a deserving candidate.

Please also provide us with any other information that you feel is relevant to your application.
